## Aluvision Hi-LED 55

Hi-LED 55 is the thinnest LED cabinet available that can be seamlessly incorporated into a modular construction system. Its unique dimensions of 19.53" x 19.53" x 2.17" (496 x 496 x 55 mm) ensure compatibility with modular systems including the Aluvision and BeMatrix product lines carried by Video West. The pixel pitch of 2.8mm and premium level flatness guarantee a brilliant visual experience. Available now at Video West.

*Fullfill the client vision and elevate the audience experience. Provide communication solutions through audio, video, lighting and staging for the global live events community. Executive flawless events with passionate people; there is no next time.*
